PART 3. EDUCATIONAL AND RESIDENCY PROGRAMS

R 338.8113 Accreditation standards for approval of schools of podiatric medicine and residency programs; institutions of higher education; adoption of standards by reference.

Rule 113. (1) The board approves and adopts by reference the standards for accrediting colleges of podiatric medicine developed and adopted by the Council on Podiatric Medical Education (CPME) of the American Podiatric Medical Association (APMA) and entitled "Standards and Requirements for Accrediting Colleges of Podiatric Medicine," CPME 120, October 2014. A copy of the standards and requirements is available at no cost from the council's website at www.cpme.org. A copy of the standards and requirements also is available for inspection and distribution at cost from the Board of Podiatric Medicine and Surgery, Michigan Department of Licensing and Regulatory Affairs, 611 West Ottawa, Lansing, MI 48909. The board considers any school of

podiatric medicine accredited by the CPME of the APMA as a school of podiatric medicine approved by the board.

(2) The board approves and adopts by reference the standards for approval of residency programs developed and adopted by the CPME of the APMA entitled “Standards and Requirements for Approval of Podiatric Medicine and Surgery Residencies,” CPME 320, July 2015. A copy of the standards and requirements is available at no cost from the council’s website at www.cpme.org. A copy of the standards and requirements also is available for inspection and distribution at cost from the Board of Podiatric Medicine and Surgery, Michigan Department of Licensing and Regulatory Affairs, 611 West Ottawa, Lansing, MI 48909. The board considers any residency program approved by the CPME of the APMA as a school of podiatric medicine approved by the board.

(3) A higher education institution is considered approved by the board if it is accredited by the accrediting body of the region in which the institution is located and the accrediting body meets either the recognition standards and criteria of the Council for Higher Education Accreditation (CHEA) or the recognition procedures and criteria of the United States Department of Education. The board adopts by reference the procedures and criteria for recognizing accrediting organizations of the CHEA, effective June 28, 2010, and the procedures and criteria for recognizing accrediting agencies of the United States Department of Education, effective July 1, 2010, as contained in 34 CFR Part 602. Copies of the standards and criteria of the CHEA and the United States Department of Education are available for inspection and distribution at cost from the Board of Podiatric Medicine and Surgery, Bureau of Professional Licensing, Department of Licensing and Regulatory Affairs, 611 West Ottawa, P.O. Box 30670, Lansing, MI 48909. The CHEA recognition standards also may be obtained at no cost from the council’s website at <http://www.chea.org>. The federal recognition criteria also may be obtained at no cost from the department’s website at <http://www.ed.gov/about/offices/list/OPE/index.html>.

PART 4. CONTINUING EDUCATION

R 338.8126 License renewal.

Rule 126. (1) An applicant for license renewal shall accumulate not less than 150 hours of continuing podiatric medical education in activities approved by the board in R 338.8127 during the 3 years immediately preceding his or her application for renewal.

(2) Submission of an application for renewal constitutes the applicant's certification of compliance with the requirements of this rule. The board may require a licensee to submit evidence to demonstrate compliance with this rule. A licensee shall retain documentation of meeting the requirements of this rule for a period of 4 years from the date of applying for license renewal. Failure to comply with this rule is a violation of section 16221(h) of the code, MCL 333.16221(h).

(3) A request for a waiver under section 16205 of the code, MCL 333.16205, must be received by the department before the expiration date of the license.

(4) The department may select and audit a sample of licensees who have renewed their licenses and request proof of compliance with subrule (2) of this rule. If audited, the licensee shall submit documentation as specified in R 338.8127.

History: 2014 AACCS; 2017 AACCS; 2019 MR 17, Eff. Sept. 4, 2019.

R 338.8127 Acceptable continuing education; requirements; limitations.

Rule 127. (1) The 150 hours of continuing education required pursuant to R 338.8126(1) for the renewal of a license shall comply with the following, as applicable:

(a) Not more than 12 credit hours must be earned during one 24-hour period.

(b) A licensee may not earn credit for a continuing education program or activity that is identical or substantially identical to a program or activity the licensee has already earned credit for during that renewal period.

(c) An applicant for license renewal shall have earned at least 3 continuing podiatric medical education hours in pain and symptom management in each renewal period pursuant to section 16204(2) of the code, MCL 333.16204(2). Courses in pain and symptom management may include, but are not limited to, any of the following as they relate to professional practice:

(i) Courses in behavior management.

(ii) Pharmacology.

(iii) Behavior modification.

(iv) Stress management.

(v) Clinical applications.

(vi) Drug interventions.

(d) Effective 1 year or more after the date this rule was amended, an applicant for license renewal shall have earned at least 1 continuing podiatric medical education hour in medical ethics.

(e) Effective 1 year or more after the date this rule was amended, an applicant for license renewal shall have earned at least 2 continuing podiatric medical education hours in controlled substances prescribing. This is in addition to the continuing education required by subdivision (c) of this subrule.

(2) One half of the 150 hours of continuing podiatric medical education credit in board-approved courses or programs that are required for the renewal of a license may be earned through online or electronic media, such as videotapes, internet web-based

seminars, video conferences, online continuing education programs, and online journal articles.

R 338.8128 Continuing education programs; adoption of standards by reference; board approval.

Rule 128. (1) The board approves and adopts by reference the standards for approving sponsors of continuing education developed and adopted by the CPME of the APMA entitled, "Standards, Requirements, and Guidelines for Approval of Sponsors of Continuing Education in Podiatric Medicine," CPME 720, January 2015. A copy of the standards and requirements is available at no cost from the council's website at www.cpme.org. A copy of the standards and requirements is also available for inspection and distribution at cost from the Board of Podiatric Medicine and Surgery, Michigan Department of Licensing and Regulatory Affairs, 611 West Ottawa, Lansing, MI 48909.

(2) A continuing education program approved by the CPME is considered approved by the board.

(3) The board or authorized committee shall consider requests for approval of individual continuing education programs. A sponsor shall submit an application and information regarding the program or activity to the department at least 60 days before the program or activity is held. For purposes of this rule, 1 credit of continuing education is defined as 50 to 60 minutes of program attendance or participation in an activity.

(4) The board or authorized committee shall evaluate applications for approval based upon all of the following:

(a) The content of a program or activity must enhance the skills, knowledge, and practice of podiatric medicine and surgery.

(b) The sponsor shall provide an outline of the program or activity that includes a statement of educational goals or measurable behavioral objectives, or both.

(c) The program or activity must be presented, if applicable, by instructors who are qualified and competent in the subject matter as demonstrated by their education, training, and experience.

(d) Licensee attendance at the program or activity must be monitored by the sponsor, if applicable.

(e) The sponsor shall maintain, for a period of 3 years from the date of each program, records of program attendance or completion of an activity that show all of the following, as applicable:

(i) The date a program was held or an activity completed.

(ii) The location of a program.

(iii) The credentials of the individuals who presented a program.

(iv) Rosters of individuals who were in attendance at a program or completed an activity.

(v) The continuing education credits awarded to each attendee or participant.

(f) The sponsor shall award a certificate or written evidence of attendance at a program or completion of an activity that includes the following, as applicable:

(i) The participant's name.

(ii) The date and location of the program.

(iii) The sponsor or program approval number.

(iv) The number of continuing education credits earned.

(4) The board or authorized committee may deny approval of programs or activities offered by institutions and organizations if the board or authorized committee determines that the programs or activities offered by those institutions or organizations fail to demonstrate compliance with the legislative intent to further educate licensees on subjects related to the practice of podiatric medicine and surgery.

PART 5. TELEHEALTH

R 338.8145 Telehealth.

Rule 145. (1) Consent for treatment must be obtained before providing a telehealth service pursuant to section 16284 of the code, MCL 333.16284.

(2) Evidence of consent must be maintained in the patient's up-to-date medical record and retained in compliance with section 16213 of the code, MCL 333.16213.

(3) A podiatrist providing a telehealth service may prescribe a drug if the podiatrist is a prescriber acting within the scope of his or her practice and in compliance with section 16285 of the code, MCL 333.16285, if he or she does both of the following:

(a) If medically necessary, refers the patient to a provider that is geographically accessible to the patient.

(b) Makes himself or herself available to provide follow up care services to the patient, or to refer the patient to another provider, for follow up care.

(4) A podiatrist providing any telehealth service must do both of the following:

(a) Act within the scope of his or her practice.

(b) Exercise the same standard of care applicable to a traditional, in-person health care service.
